

**A**re you there God. It's me,  
Margaret. We're moving  
today. I'm so scared God. I've  
never lived anywhere but here.  
Suppose I hate my new school?  
Suppose everybody there hates  
me? Suppose they don't wash  
their hands after they use the  
bathroom? Suppose I get some  
terrible bacterial infection from  
them? Please help me, God.  
Thank you.

This convenient reading material is brought to you by Judy Blume & the Acute Disease Service of the Oklahoma State Department of Health who remind you to please wash your hands with soap and water or clean them with an alcohol-based hand product.
