parentPRO Data Discussion

New Updates:

- Offline touchpoints will be piloted soon (Google Chrome required browser).
- Alerts
 - Turn on the switch in ETO so alerts can be sent to staff about forms and new information that will be on dashboards.
- ETO Training
 - A new user ETO training will be provided soon for all new employees (one in OKC, one in Tulsa). Date and Time to be determined.
- New Employees
 - If you are having problems entering new employees into ETO, please contact John Delara for assistance.
- HV Accountability Report has been completed.

John Delara, MPH

Epidemiologist, Family Support & Prevention Service
