Welcome/Introduction
Dr. Mark Brandenburg called the Oklahoma Injury Prevention Advisory Committee meeting to order, and members introduced themselves. Minutes from the previous meeting on October 13, 2010 were approved without changes.

Legislative Update
Dr. Brandenburg opened the floor to discuss the legislative agenda for 2011. Members discussed legislation of interest and discussed legislation the committee should focus on during this year’s session. Possible focus areas include:
Oklahoma Injury Prevention Advisory Committee
Meeting Minutes

- Strengthening the existing law that prohibits texting while driving to include drivers of all ages and for it to be primary enforcement (current legislation applies only to novice drivers with a permit or intermediate license)
- Eliminate pain and suffering damages for uninsured motorists
- Statewide social host law
- Promoting health education, including teen dating violence & bullying education curricula in schools
- Reducing the allowable blood alcohol concentration while boating
- Bike safety

The membership voted to focus on three legislative bills.
- Prohibit texting while driving for all age groups
- Statewide social host law
- Reducing the allowable blood alcohol concentration while boating

Injury Prevention Service Update

Pam Archer reported on the following Injury Prevention Service (IPS) activities:
