**OBESITY**
- 44th
- 32.5% on obesity among adults

**CHILDREN’S HEALTH**
- 43rd
- 6.8 PER 1,000 on infants who do not survive to their first birthday

**BEHAVIORAL HEALTH**
- 44th
- 4.3 DAYS on number of poor mental health days in the past 30 days reported by adults

**CORE MEASURES**

**TOBACCO USE**
- Reduce adolescent smoking prevalence from 15.1% in 2013 to 10% in 2020 for high school-aged youth and from 4.8% in 2013 to 2% in 2020 for middle school-aged youth (2018 data).
- Reduce adult smoking prevalence from 23.7% in 2013 to 18% in 2020 (2019 data).

**OBESITY**
- Reduce adolescent obesity prevalence from 11.8% in 2013 to 10.6% in 2020 (2019 data).
- Reduce adult obesity prevalence from 32.5% in 2013 to 29.5% in 2020 (2019 data).

**CHILDREN’S HEALTH**
- Reduce infant mortality from 6.8 per 1,000 live births in 2013 to 6.4 per 1,000 live births by 2020 (2018 data).
- Reduce Maternal Mortality from 29.1 per 100,000 live births to 26.2 per 100,000 live births by 2020 (2018 data).
- Reduce Infant, Child and Adolescent Injury Mortality from 15.2 per 100,000 in 2013 to 13.9 per 100,000 by 2020 (2018 data).

**BEHAVIORAL HEALTH**
- Reduce the prevalence of untreated mental illness from an 86% treatment gap to 76% in 2020 (2018 data).
- Reduce the prevalence of addiction disorders from 8.8% to 7.8% by 2020 (2018 data).
- Reduce suicide deaths from 22.8 per 100,000 in 2013 to 19.4 per 100,000 by 2020 (2017 data).

**HEALTH SYSTEMS**

In order for Oklahoma to achieve demonstrated improvement in health outcomes, systems that support health must be high quality, accessible and value-based. These systems should create an environment in which the healthy choice is the easy choice for Oklahomans. OHIP 2020 addresses health systems through two major focus areas – Health Transformation and Health Education.

**HEALTH TRANSFORMATION**
- Efforts are focused on creating a high-functioning health system that improves population health, health quality and access to care while bending the healthcare cost curve.

**HEALTH EDUCATION**
- Efforts are focused on empowering people to take action by increasing knowledge and skills, while also focusing on systems, environments and policies that affect health.

**CALL TO ACTION**

All Oklahomans are asked to do their part and participate in creating a culture of health through the following actions:

- Adopt recommended healthy lifestyle changes and encourage your friends and family.
- Get connected with a local Turning Point or other community partnership to plan and implement local community health improvement efforts.
- Encourage local businesses, schools, communities, and congregations to apply for and achieve Certified Healthy Oklahoma recognition.
- Visit www.health.ok.gov for a complete listing of Turning Point Coalitions in Oklahoma.
- Go to OHIP2020.com to learn more about the Oklahoma Health Improvement Plan.
