## Logan County

Provider Network is providers who are contracted to provide health care services by locations, programs, types, and specialties. Providers are being counted multiple times if they have multiple locations, programs, types, and/or specialties. The term "contracted" is defined as a provider that was enrolled with Oklahoma SoonerCare within the reporting period, it does not necessarily indicate participation.

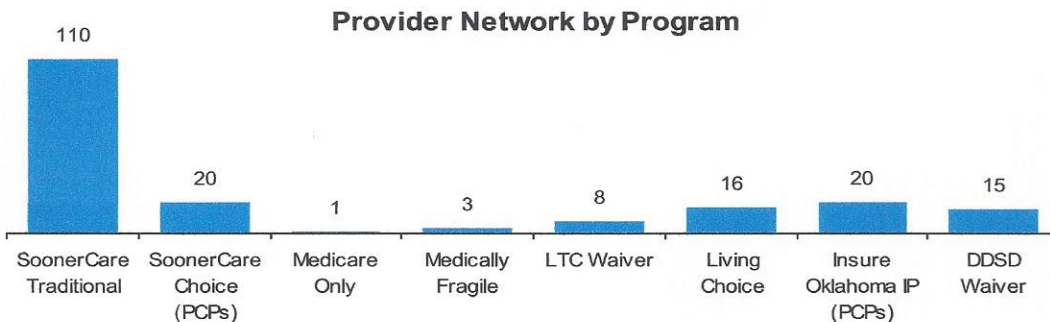

2 Newly Enrolled Provider. The data is based on the new provider IDs added to the system during the reporting month. The effective date of the contract may or may not be in that month.
