----- THIS SIDE IS FOR WIC STAFF TO COMPLETE -----

Below are suggested questions to facilitate WIC discussion.

- How is feeding going? *(Fed by strict schedule or is schedule baby-led?)*
  
- How do you know your baby is hungry? *(Baby behavior)*  
How do you know your baby is full?
  
- How do you pump and store your milk? *(Assess for sanitation and proper storage)*
  
- How do you fix a bottle? *(Assess for sterilization, sanitation, proper dilution and mixing, and storage)*
  
- Tell me about foods the baby is taking. *(Assess for developmentally appropriate foods, developmental readiness for solids, early introduction of solids, sanitation, refeeding leftovers, using a spoon with solids)*
  - What foods are being offered?
  - How do you prepare baby's food?
  - How did you know it was time to offer foods?
  
- What concerns do you have about your baby's health?
  
- How do you care for your baby's gums and teeth?
  
  
- What has been helpful at this visit?
