DETAILS

LOCATION

Thursday, June 5 - Friday, June 6, 2025: Arrive at Marriott Waterfront Hotel, Two Waterfront Place, Morgantown, WV 26501, by 10:00 a.m. Secure luggage storage will be available until check-in. The free teacher workshop includes: overnight accommodations, meals, curriculum, "hands-on" sessions, evening social gathering and much more!

REGISTRATION & CANCELLATION POLICY

The workshops are recommended for middle school and high school science teachers and are limited to the first 40 registrants (sorry, no home school educators at this time). Each registrant will receive a confirmation letter or email. In the event you must cancel your registration, please let us know at least 14 days PRIOR to the workshop so that GO-WV can promptly fill your position with someone on the wait list.

WORKSHOP CEU CREDITS

You will need to check with your county for information on approved credits for this workshop. In addition, all teachers completing both workshop days and a follow up lesson plan assignment will receive three Graduate Professional Development Credits through Marshall University for license renewal and/or salary upgrades at no cost to you. The required form will be available at the workshop. This course may be used for renewal of your teaching certificate and for advanced salary classification. It may not be used to meet requirements for a graduate degree at Marshall University and is not acceptable for renewal of a teaching permit.

THIS TEACHER EDUCATION CONFERENCE IS SPONSORED BY

GO-WV is a non-profit 501(C)(6) corporation..

ABOUT

The goal of the workshop is to help foster energy education by connecting science education to the energy industry. During the workshop, each teacher will receive resource materials, lesson plans, Internet links and activities, plus a few other special surprises (worth \$65)! Learning stations will include hands-on experiments, background information, industry guest speakers, graphic organizer ideas, Internet activities and career connections. The free teacher workshop includes: overnight accommodations, meals, curriculum, “hands-on” sessions, “take-away” box, evening social gathering and much more!
