Administrative Guideline

TO: Amusement Ride Owners

FROM: James Williams
Director Safety Standards Inspection Services

RE: Permanent Ride

REGISTRATION

- All amusement rides are required to register with the ODOL and owners/operators must provide proof of insurance coverage on an annual basis.
- The annual registration application is available at www.labor.ok.gov. Submit applications to odol.amusement@labor.ok.gov.
- Registration fees will apply. The fee schedule is located on the Amusement Ride page in the “Related Topics” box titled “New Fee Schedule”.

INSURANCE

- Owners/operators must provide proof of insurance coverage on an annual basis prior to use.
- Upon renewal of insurance coverage, a copy must be provided to the Oklahoma Department of Labor (ODOL).
- Permanent ride owner/operators are required to hold liability insurance of one million dollars ($1,000,000.00) and provide a copy to the Oklahoma Department of Labor. The Oklahoma Department of Labor must be identified as the certificate holder as shown below:

  Oklahoma Department of Labor
  Safety Standards Division
  3017 North Stiles, Suite 100
  Oklahoma City, OK 73105
INSPECTION

- All inspections expire the last day of the current operating season.
- Permanent rides are required to be inspected annually.
- Any new construction.
- Any additions or alterations are made that change the structure, mechanism, classification or capacity of any amusement ride.
- Permanent rides must be compliant with American Society of Testing Material (ASTM) standards.
- An engineer’s stamp must be on the plans and be approved by the Oklahoma Department of Labor (ODOL).
- The local city and county should be consulted to verify that all permits required are completed prior to the construction start date.
- Permanent rides with extraordinary circumstances that require extra time for inspection may be classified as Substantial or Other. See OAC 380:55-5-6 fees for Substantial and Other inspection ride types.
  - **Substantial amusement device**: a device which is used as an amusement device and is substantial in its size or complexity, such that an inspection of the device is complex.
  - **Other amusement device**: all other amusement devices not classified in paragraphs (1)-(5) of subsection 380:55-5-5.
- An inspection by the Oklahoma Department of Labor may be requested by phone (405-521-6604), mail or email (odol.amusement@labor.ok.gov). Inspection fees will apply. The fee schedule is located on the Amusement Ride page in the “Related Topics” box titled “New Fee Schedule”.
- Requests for inspection are scheduled through the office during regular business hours and are to be submitted a minimum of 72 hours (3 business days) prior to inspection.

ACCIDENT/INCIDENT

- Accidents/Incidents that involve a fatality, loss of limb or an injury requiring medical treatment more than "on-site” will require the ride to be shut down and the accident/incident reported to the Oklahoma Department of Labor (ODOL) immediately by calling:
  - (405) 521-6100 or (405) 521-6604 during business hours (M-F/8-5)
  - (405) 343-9815 after business hours and weekends/holidays.
- The ride is not to be moved except for the safety of patrons/public.
- An accident/incident involving a mechanical failure will require the ride to be closed and not reopened until approved by the Oklahoma Department of Labor (ODOL).
  - An Amusement Ride Accident/Incident Report must be completed and submitted to the Oklahoma Department of Labor. The form is available at www.labor.ok.gov.
- Injuries requiring “on-site” first aid medical treatment only, are to be documented. Documentation shall be available for review during Oklahoma Department of Labor (ODOL) annual inspections.
OWNER/OPERATORS ARE REQUIRED TO:

- Operators are to be trained annually, maintain and provide copies of training certification records to the Oklahoma Department of Labor upon request.
- Operators are required to wear a name tag that lists all rides they have been trained and authorized to operate.
- Owners must provide the Oklahoma Department of Labor with documentation that all violations have been corrected if requested.
- Daily inspections are to be conducted for each ride with these records maintained for at least three years. Records may be electronic or hard copy and available to Oklahoma Department of Labor inspectors upon request.
- Maintenance logs are to be maintained for at least three years (3), electronic or hard copy is acceptable.
- A ride manual shall be on file for each ride.

40 O.S. § 460.2 (b) Rules promulgated pursuant to subsection A of this section shall include the following language:
The owner of an amusement ride shall maintain up-to-date maintenance, inspection, and repair records between inspection periods for each amusement ride in the manner provided by the Commissioner of Labor. The records shall contain a copy of all inspection reports commencing with the last annual inspection, a description of all maintenance performed, and a description of any mechanical or structural failures or operational breakdowns and the types of actions taken to rectify these conditions.

NOTE: This Guideline is meant to assist in the guidance provided for in 40 O.S. § 460, et seq., OAC 380:55 and applicable ASTM standards and all administrative guidelines and is not an exhaustive document.
