I further affirm, upon my oath, to follow Title 40 of the Oklahoma Statutes, Section 450 through 456, and the Abatement of Friable Asbestos Materials Rules OAC 380, Chapter 50. I understand that a violation of any law or rule may subject my license to be suspended or revoked, or may subject me to cease and desist orders, injunctive measures, and criminal penalties for criminal violations.

I, upon my oath, do state that the above information is a true statement, and further state that I am not under any type of disciplinary action, including license revocation or suspension, by any State or political division thereof, or by the United States government, for any illegal or improper activity, civil or criminal, involving asbestos-containing material.

Signature of Applicant / **APPLICATION CANNOT BE PROCESSED WITHOUT A SIGNATURE AND FEE**

DATE

380:50-5-10. Licensing of AHERA asbestos inspectors

Licensing requirements for AHERA asbestos inspectors are as follows: (1) Inspection for asbestos-containing materials in any facility under the jurisdiction of Title 40, Sections 450 through 456 shall be performed only by persons who are licensed as AHERA inspectors by the Oklahoma Department of Labor. (2) AHERA inspectors shall be licensed as a special category of asbestos worker and shall have completed a 24-class-hour course for AHERA Inspectors and all subsequent asbestos inspector refresher training which fully meet the requirements of Sections 380:50-6-4 and 380:50-6-9. (3) Applications shall be submitted on forms prescribed by the Commissioner. (4) The license fee shall be fifty dollars (\$50.00) per year. (5) The license shall be issued in the name of the individual applicant. (6) The license shall be issued for a period not to exceed one year and shall expire concurrently with the asbestos training and subsequent refresher training. There will be no grace period wherein an inspector will be allowed to work with an expired license. (7) Any inspector who has not taken the required AHERA inspector refresher training course within two years of the previous Inspector training or refresher course, shall repeat the AHERA inspector training requirements of Section 380:50-6-4 and 380:50-6-9. (8) License cards shall be available at the job site for inspection by the Department of Labor.

380:50-6-4. Initial training for asbestos inspectors (a) In the State of Oklahoma, anyone seeking accreditation or licensure from the Department of Labor must obtain their training from an EPA or DOL accredited training provider, including but not limited to educational institution, labor union, or government agency, or from a private vocational education provider licensed by the state where it operates (pursuant to 70 O.S. § 21-103 within the state of Oklahoma) and accredited by EPA or an EPA approved governmental agency. (b) Such institutions, labor unions or government agencies may receive their DOL accreditation through the Oklahoma Accreditation Plan providing the following criteria are met: (1) The training for AHERA Inspectors shall be specific to the discipline and shall not be combined with training for any other discipline. (2) The AHERA Inspector's course shall be no less than three days in length and shall include: lectures, demonstrations, and at least 4 hours of hands-on training, individual respirator fit testing, course review and a written examination. Hands-on training should include conducting a simulated building walk-through inspection and respirator fit testing. The OAP also recommends the use of audio-visual materials to complement lectures, where appropriate. One day of training equals 8 hours, including breaks and lunch. (3) Course instruction must be provided by EPA or State approved instructors. EPA or State approval shall be based on a review of the instructor's academic credentials and/or field experience in asbestos abatement. (4) The training course for AHERA Inspectors shall adequately address the requirements listed in OAC 380:50-6-4 and 380:50-6-9
