

# STORY TRAILS

## In Oklahoma

### ABOUT

A Story Trail is a fun and engaging activity for young readers and their families. Story Trails place pages from an oversized children's book along an outdoor walking path – often at a park or garden.

Many of the trails listed below are funded by Health Literacy Grants curated by the Oklahoma Department of Libraries alongside the Institute of Museum and Library Services. Please keep an eye out for more routes in the months to come!

 Check out a map of Oklahoma's Story Trails at [oklahoma.gov/libraries/storytrails](http://oklahoma.gov/libraries/storytrails)
