APPLY TODAY

This celebration of early literacy and reading will take place on March 25. Join us at the Oklahoma City Zoo for a special day of learning and fun, packed with exciting activities.

A limited number of kindergarten classes will be selected to attend the event. As special guests, these classes will receive paid admission to the Zoo, and students will receive a copy of this year's book prior to the event. Zoo admission and books are made possible by the generosity of public and private sponsors. The application window is open until December 31 for Oklahoma schools!
