

Class VIII (8) Un-odorized LPG Permit Application

Permits the holder to obtain, use and store un-odorized LP Gas at their facility.

Please review the checklist found on our website for all requirements related to this permit.

420:10-1-5.(b)(9) and 420:10-1-14.(b)(2)(D)

Applicant must submit detailed plans describing use and location of cylinder storage, and all LP Gas plumbing in said facility must be submitted in writing and approved for any facility using un-odorized LP Gas in any manner. Plans must be submitted to the LP Gas Administration Office along with the proper fee, and an on-site inspection must be performed by a Safety Code Enforcement Officer prior to final approval and before the introduction of LP Gas into the system.

End User Endorsement \$500.00

Plan Review Fee \$250.00

Field Inspection Fee \$250.00

READ BELOW AND INITIAL:

- ____ I understand that a site plan review and an on-site final inspection are required before the introduction of LP Gas into the system.
- ____ I understand this permit is non-transferable and any change in name or ownership will be reported to the Oklahoma LP Gas Administration immediately.
- ____ I understand the facility may be inspected at any time by an LP Gas Safety Code Enforcement Officer, with or without notice, to ensure the facility and equipment is still operating as originally permitted.
- ____ I understand this permit does not entitle the permit holder to sell un-odorized LP Gas to anyone or any company.
- ____ I understand that this permit will expire on August 31st each year. If renewed after this date, I understand there will be an additional 25% late fee assessed.
- ____ I understand that no permit will be renewed after September 30th, without the approval of the LP Gas Administrator.
- ____ I certify that this information is true and correct. Any false or fraudulent statement or failure to comply with the rules and regulations promulgated by the Liquefied Petroleum Gas Board or Oklahoma Statutes Title 52, Chapter 8, Section 420.1 through 420.15 shall be cause for suspension or revocation of the permit held.
