Read and initial the following:

- We understand that all Class X (10) managers shall be full-time employees and when a Class X (10) manager is no longer employed, the LP Gas Administration will be notified immediately.
- We understand that this permit is transferable and any change in name or ownership will be reported to the Oklahoma LP Gas Administration immediately.
- We understand that all employees that dispense LP Gas shall hold a permit and will attend an annual safety school sanctioned by the LP Gas Board.
- We understand that all dispensers and any LP Gas container 2000WC gallons or larger, plans will be submitted to the LP Gas Administration for approval before the installation.
- We understand that a Form 4 or other approved forms will be submitted to the LP Gas Administration on all installations of LP Gas systems or appliances and on any new customer or customer we have not serviced in the past 24 months.
- We understand that all Class 1 and Class 10 permit holders shall attend a semi-annual safety seminar sanctioned by the LP Gas Board.
- We understand that this permit will expire on August 31st each year. If renewed after this date, we understand there will be an additional 25% late fee assessed.
- We understand that no permit will be renewed after September 30th, without the approval of the LP Gas Administrator.
- Pursuant to 420:10-1-5.(b)(1)(E), we understand that prior to application or renewal of any Class I Permit, the applicant or holder shall provide the Administration as part of this application or renewal a complete list of facilities and each delivery location, including the name of facility, street address of facility, name of contact person, and contact information of said facility, to which Un-Odorized LP Gas is being delivered. Sales and deliveries of Un-Odorized LP Gas shall only be made to facilities in Oklahoma that are properly permitted by this Administration.
- I certify that this information is true and correct. Any false or fraudulent statement for failure to comply with the rules and regulations promulgated by the Liquefied Petroleum Gas Board or Statutes Title 52, Chapter 8, Section 420.1 through 420.15 shall be cause for suspension or revocation of the permit held.
