For her opening comments, Ms. Harrison advised that she attended a national conference in the fall of 2025 where the AT Compact was discussed. The proposed AT Compact will be similar to other compacts which are currently in effect. Sen. Brenda Stanley will introduce a bill to have an Oklahoma AT Compact considered this legislative session. This is the first year any state could introduce AT Compact legislation since the Compact was just finalized in the fall. Regardless, the Compact must be adopted by seven states before it can be enacted. Regarding other legislation for this session, the bill filing deadline is this Thursday, January 15, 2026. Ms. Harrison advised that SB1651 is the Medical Board's cleanup bill and, at the request of the AT Association, it does include amendments pertinent to athletic trainers. Currently, the requirements for a Coach's Association nominee for the Athletic Trainers Advisory Committee and the licensure of Apprentice Athletic Trainers are being removed. The Committee thanked Ms. Harrison for the information.

Following Committee review, Mr. Chlouber moved to approve the special meeting minutes of July 23, 2025. Dr. Northcutt seconded the motion and the vote was unanimous in the affirmative.

Next, the Committee reviewed applications for licensure.

Mr. Chlouber moved to recommend approval of the incomplete application(s) for Athletic Trainer licensure pending completion of the file(s) as shown on ***Attachment #1*** hereto. Mr. Fulton seconded the motion and the vote was unanimous in the affirmative.
