Ms. Few previously provided her study guide for Committee review. Following review and discussion, and advising this is the last time she will be eligible to sit for the exam in Oklahoma, Ms. Lawrence moved to recommend approving Ms. Few to sit for the Federation of State Boards of Physical Therapy exam a third time. Ms. Chamberlain seconded the motion and the vote was unanimous in the affirmative.

PHILEMON NARTEY, applicant, Physical Therapist licensure, appeared virtually in support of his request for special accommodations while sitting for the Federation of State Boards

of Physical Therapy examination. He previously appeared before the Committee on August 6, 2024, and was approved for the special accommodations of double time and a separate room. However, when he took the test, he wanted two days to test which had not been previously approved. Following review and discussion, Ms. Lawrence moved to recommend special accommodations of double time, a separate room, and splitting the test over two days while sitting for the Federation of State Boards of Physical Therapy examination pending clarification by Lisa Cullen that test sections are closed and unable to be re-accessed once completed. Mr. Kendall seconded the motion and the vote was unanimous in the affirmative.

Next, the Committee considered elections for the **Voting Delegate, Alternate Delegate, and Funded Administrator** to represent Oklahoma at the **Federation of State Boards of Physical Therapy.** Ms. Mason moved to self-nominate as Voting Delegate, to nominate Mr. Stanley as Alternate, and defer the Funded Administrator position up to board staff. Mr. Kendall seconded the motion and the vote was unanimous in the affirmative.

Review and discussion regarding possible administrative rule amendments to **Okla. Admin. Code 435:20.** Ms. Harrison reported that last week she presented at the House Administrative Rules Committee. There is an Executive Order requiring us to remove two current rules for each new rule we propose be implemented. Currently, there is a piece of legislation pending that will make that law. One of the questions she was asked was if we are looking at modernizing rules in step with all statutes. The Medical Board members want processes to be streamlined. She further advised that in review of the PT CEUs and PDUs, there was a 17 percent failure rate of our audited licensees so she is looking at those specific rules to be possibly reworked. Staff will draft proposed amendments and Ms. Harrison will provide a copy electronically to the Committee before the next meeting. In closing, Ms. Harrison requested Valeska Barr to attend the next meeting on April 22nd to discuss CEUs/PDUs.

There being no further business, Ms. Mason adjourned the meeting. The time was 9:43 a.m.
