Having noted a quorum, Mr. Burke called the meeting to order at 3:04 p.m. Barbara Smith called roll to confirm a quorum for purposes of the record. Ms. Harrison provided brief opening remarks, including the introduction of Brian Boggs, MD, Board Secretary, and Mady Martin, Assistant Attorney General.

Following Committee review, Mr. Flinn moved to approve the meeting minutes of June 6, 2025, as written. Ms. Douglas seconded the motion and the vote was unanimous in the affirmative.

Ms. Harrison presented the proposed PA Emergency Administrative Rules, Okla. Admin. Code 435:15. These rules are necessary to bring the current rules into compliance with new law, HB 2584, which goes into effect August 29, 2025. She advised regarding the emergency rule timeline, which is very short due to the law going into effect so quickly. Ms. Harrison further

advised that Board Staff drafted these rules based strictly on the new statute as anything else would not be part of emergency rulemaking. Cleanup language, if needed, will be addressed later in permanent rulemaking.

The Committee had no comments on the proposed amendments to 435:15-1-1.1. Definitions.

Following discussion, Ms. Ice clarified that it will be the PA's responsibility to maintain verification of the malpractice insurance as required in 435:15-3-1.1.(b).

Mr. Burke requested the word "and" be added before "any limitations" in 435:15-3-13(b).

Mr. Burke requested 435:15-5-10(a)(3) read as "A physician assistant may issue prescriptions and write an order for a Schedule II drug if they are practicing under a practice agreement."

There were no comments offered on amending the proposed emergency amendments to 435:15-5-11.

No comments were offered regarding amending the proposed emergency amendments to 435:15-11-1. It was stated that 435:15-11-1(d) will be amended in future permanent rulemaking to match paragraph (a).

No comments were offered regarding the proposed amendments to 435:15-11-2.

Upon completion of the presentation and review, Mr. Flinn moved to recommend approval of the rule amendments with suggested changes above. Ms. Douglas seconded the motion and the vote was unanimous in the affirmative.

Ms. Douglas left for the remainder of the meeting.

Ms. Harrison stated the Federation of State Medical Boards recently adopted guidelines for re-entry of physicians and physician assistants. The Medical Board has begun reviewing MD re-entry guidelines. Upon the advice of the Attorney General's office, the Medical Board will be including those guidelines in our next permanent rulemaking for MDs in the fall of 2025. The current PA rules task the Board with approving a re-entry plan which the Advisory Committee has previously drafted. Because the guidelines for re-entry are not a part of the rules or statutes, the guidelines drafted by the Advisory Committee can be used as a guide for permanent rulemaking in the fall, but may not be used until such time as they become statute or rule. Ms. Harrison advised she will email the Advisory Committee the FSMB guidelines adopted in this regard.

Valeska Barr, PA Compact Licensure Commissioner and Rules Committee member, provided a status update on the PA Compact. The Executive Committee met on June 11th and advised that the PA Compact has been enacted in 17 states with active legislation in 7 states currently. The Rules Committee met on June 4th and is working on drafts governing the data system and privilege process. Because of this, states are nowhere near ready to be issuing Compact licenses. Ms. Barr stated she anticipates we are probably about a year away from issuing PA Compact licenses.

SIERRA STOUFFER appeared virtually in support of her application for Physician Assistant licensure. Her license lapsed in 2023 and she last practiced in 2021. She is not currently licensed in any other state, but her national certification is current and her application is complete. Following review and discussion, Mr. Flinn moved to recommend approval of the application

pending completion of 90 days of practice under direct supervision with a satisfactory report provided by the supervising physician at the conclusion thereof for review and approval by Board Secretary. Dr. Schoeffler seconded the motion and the vote was unanimous in the affirmative.

Then the Committee reviewed the following applications for licensure:

1. Mr. Flinn moved to recommend approval of the incomplete application(s) for Physician Assistant licensure pending completion of the file(s) as identified on *Attachment #1* hereto. Mr. Bosse seconded the motion and the vote was unanimous in the affirmative.
2. Mr. Flinn moved to recommend approval of the incomplete application(s) for reinstatement of Physician Assistant licensure pending completion of the file(s) as identified on *Attachment #1* hereto. Mr. Perdue seconded the motion and the vote was unanimous in the affirmative.
3. Mr. Flinn moved to recommend approval of the complete application(s) for reinstatement of Physician Assistant licensure as identified on *Attachment #1* hereto. Dr. Schoeffler seconded the motion and the vote was unanimous in the affirmative.
4. Mr. Bosse moved to recommend approval of the complete application(s) for Physician Assistant licensure as identified on *Attachment #1* hereto. Mr. Perdue seconded the motion and the vote was unanimous in the affirmative.

Next, Valeska Barr reported on the Physician Assistants required to obtain 40 CME hours in 2025 for 2026 renewal of licensure as identified on *Attachment #2* hereto. There are 127 PAs required to obtain double hours. This matches past numbers, as every year about five percent of licensed PAs fail to meet the requirement of obtaining annual CME hours. The numbers change because the numbers of renewals change every year. These PAs have until the end of the year (2025) to correct the deficit.

Barbara Smith provided a status update on the proposed PA Permanent Administrative Rules, Okla. Admin. Code 435:15 and advised that all filings have been submitted and accepted. The permanent rules are on track to be published in *The Register* on July 15th and become effective July 25, 2025.

There being no further business, Mr. Burke moved to adjourn the meeting. The time was 4:50 p.m.
