The Communications Committee met on August 6th and is updating the Frequently Asked Questions on their website, as well as posting newsletters thereon. The Rules Committee met on August 25th and the data system rules and privilege process rules were reviewed. Those rules are considered the rule "anchors," as all other rules will be referring back to them.

Next, Ms. Ice presented the Medical Board's proposed amended permanent administrative rules governing the practice of physician assistants, Okla. Admin. Code 435:15. Following review and discussion, Mr. Plummer moved to recommend approval of the proposed amended permanent administrative rules as presented.
