Having noted a quorum, Mr. Burke called the meeting to order at 3:00 p.m. Barbara Smith called roll to confirm a quorum for purposes of the record.

Sandra Harrison, JD, Executive Director, made opening remarks. She advised that the Medical Board has implemented PA Form Fives and Sixes in compliance with the new law. The Medical Board also generated a list for posting on our website which indicates PAs authorized to prescribe Schedule IIs and at the locations at which they are practicing. This was not required under the new law, but was done in an effort to provide assistance to pharmacists. Additionally, updated FAQs were generated and posted on the website. Currently, the Medical Board is still in the process of updating its database. In closing, she advised that the Medical Board plans to run a cleanup bill during the 2026 legislative session, but it will not relate to the practice of physician assistants.

Following Committee review, Dr. Stone moved to approve the meeting minutes of September 9, 2025, as written. Mr. Flinn seconded the motion and the vote was unanimous in the affirmative.

Next, **AMY BLOOMFIELD** appeared virtually in support of her application for Physician Assistant licensure. Her license lapsed on March 31, 2021, and her certification through NCCPA is set to expire in 2026. Her application is complete and she is currently licensed in Arkansas, Kansas, Illinois, and Missouri. The applicant advised she wishes to return to primary practice. Currently, she is completing a six-week orientation period at her current employer out of state. At the conclusion of her orientation period, she will still be allowed to consult with a physician, as needed, when questions arise. She is current on her required CMEs and has secured employment which she will begin upon licensure. Following review and discussion, Mr. Flinn moved to recommend approval of the application for licensure. Dr. Schoeffler seconded the motion and the vote was unanimous in the affirmative.

The Committee then reviewed the following applications for licensure:

1. Mr. Flinn moved to recommend approval of the incomplete application(s) for Physician Assistant licensure pending completion of the file(s) as indicated on *Attachment #1* hereto. Dr. Stone seconded the motion and the vote was unanimous in the affirmative.
2. Mr. Plummer moved to recommend approval of the complete application(s) for reinstatement of Physician Assistant licensure as indicated on *Attachment #1* hereto. Mr. Flinn seconded the motion and the vote was unanimous in the affirmative.
3. Mr. Plummer moved to recommend approval of the complete application(s) for Physician Assistant licensure as indicated on *Attachment #1* hereto. Dr. Stone seconded the motion and the vote was unanimous in the affirmative.

Ms. Smith provided a status update, including a timeline, on the Medical Board's permanent administrative rules governing the practice of physician assistants, Okla. Admin. Code 435:15. The proposed rule amendments are scheduled to go before the Medical Board for consideration in its specially called meeting scheduled for December 18, 2025.

Valeska Barr, Assistant Director of Licensing and PA Compact Commissioner, provided a status update on the PA Compact. She advised that the projected time frame for granting compact privileges is early 2027, and that is an optimistic projection. The PA Compact Rules Committee has reviewed and approved certain rules. Those rules are now set to be reviewed by the Executive Committee. If approved by the Executive Committee, the formal rulemaking process will then begin. The next Executive Committee meeting is set for December 10th. The full Compact Commission meeting was held on November 3rd and the budget was adopted at that time. Data system proposals for the compact database are still being gathered. In closing, she advised that the next Rules Committee meeting is set for December 15th and she will continue to update the Committee as necessary.

There being no further business, Mr. Burke adjourned the meeting. The time was 3:34 p.m.
