How to Submit a Support Ticket in the New Licensing Portal

If you need help or have a question, you can submit a support ticket directly from the new licensing portal as a public user or logged-in user.

Submitting a Support Ticket

1. On the home page, find **Need Help with technical issues? Click here to submit a Support Ticket.**
2. Complete the **Support Ticket Intake Form**. Fill out the required information marked with an *.
3. Click **Submit**.
