How to Make a Payment in the New Licensing Portal

Online Guest Payment

You can pay as a guest (no login required) or while logged in to the portal. If you have a registered account, please log in and make your payment through your customer portal. Use Online Guest Payment only if you do not have an account or need to make a one-time payment.

Online Guest Payment

1. Go to the public portal and open the **Online Guest Payment** tab on the home page.

2. Find the **Search Invoice for Payment** option and enter your **Invoice Number** to search for pending payments.

3. Confirm the Invoice information and click **Proceed to pay**.

Note: Guest users can pay only one invoice at a time. Registered users should log in to their customer portal to pay, view payment history, receipts, and manage multiple invoices.
