F. **General Application Process**

1. This office may contact other sources for verification of information contained in your application. Your application will not be considered complete until all requested documentation has been received.

2. Once complete, applications are circularized to Board members for consideration. The circularization takes approximately two weeks. If all Board members approve the application, a license may be issued. Should one or more Board members fail to approve on circularization, the application will be reviewed during the next regularly scheduled business meeting of the Board. Applications are not denied on circularization. The applicant will be notified if the application has been held and given the opportunity to meet with the Board to discuss his/her application.

3. Even though an application is complete and all requirements are satisfied, there is no guarantee that the Board will grant licensure. The Board may discover information or find exceptions that prevent them from approving an application. In such an event, the Board will clearly state the basis upon which such exceptions have been made. The Board may, at its discretion, require further proof of clinical competency.

4. There is no way to determine how soon you will receive notification of a Board decision after you submit an application. In general, once an application is complete and this office is in receipt of all required documentation, it will be approximately two to three weeks before a licensed may be issued.

5. Should you have any questions, please contact the Licensing Department at (405) 962-1470.

G. **Forms – All forms can be found in the Forms tab of the Resources section.**
