## Total Permitted and Bonded Acres and Mapping Requirements

2. Will you file bond covering all your mining acreage under your plan or will you file for an incremental mining plan?

Total Permit Acres: \_\_\_\_\_ Incremental Bonding:      Yes                      No

Please show your acreage below. If you have indicated incremental mining plan, then your acreage will be progressive to each incremental area. Prior to the issuance of this permit, a bonding map must be included detailing the sequence proposed for incremental bonding.

**460:10-9-6. Mine maps should be accurate drawings, aerial photographs, or enlarged topographic maps of the entire mine area and of a scale sufficient to clearly illustrate the following:**

- (1) *Outline of the area to be permitted detailing the affected areas, incremental mining areas, planned future reserves if requested by the applicant, buffer zones, easements, and rights-of-ways, for the number of years the permit is requested.*

**460:10-21-4. (b)** *An operator shall not disturb surface acreage or extend any underground shafts, tunnels, or operations prior to receipt of approval from the Department of a performance bond covering the surface acreage to be affected.*

- (1) *Liability on the performance bond shall cover all non-coal surface mining and reclamation operations to be conducted within the permit area. Except for limited use permits, after the amount of the bond has been determined for the permit area in accordance with Subchapter 23 of this Chapter, the permittee or applicant may either file:*
- (A) *The entire performance bond required during the term of the permit;*
  - (B) *A cumulative bond schedule and the sequence of release of acreage as it progresses through varying reclamation phases and for the addition of acreage as it is affected. The amount of bond required to obtain a permit shall include the full reclamation cost of the initial area being affected; or*
  - (C) *An incremental bond schedule and the new performance bond required for the first increment in the schedule.*
- (2) *When the operator elects to “increment” the amount of the performance bond during the term of the permit, he shall identify the initial and successive incremental areas for bonding on the permit application map submitted for approval as provided in Subchapter 17 of this Chapter and shall specify the proportion of the total bond amount required for the term of the permit which will be filed prior to commencing operations on each incremental area. The schedule amount of each performance bond increment shall be filed with the Department at least 45 days prior to the commencement of non-coal surface mining and reclamation operations in the next incremental area.*

A separate schedule detailing each increment must be attached to the application. An Incremental bonding map must be submitted if the total permitted acreage is not covered by bond.
