## REQUIREMENTS FOR AUA CERTIFICATION IN OKLAHOMA

**Age:** The applicant for AUA certification must be a minimum of eighteen (18) years of age.

**Verification of citizenship status:** State law requires the Board of Nursing to issue a certificate only to U.S. citizens, nationals and legal permanent resident aliens; and qualified alien applicants who present, *in person*, valid documentary evidence of:

- 1) A valid, unexpired immigrant or nonimmigrant visa status for admission into the U.S.;
- 2) A pending or approved application for asylum in the U.S.;
- 3) Admission into the U.S. in refugee status;
- 4) A pending or approved application for temporary protected status in the U.S.;
- 5) Approved deferred action status; or
- 6) A pending application for adjustment of status to legal permanent residence status or conditional resident status.

Applicants in the above six categories will only be eligible to receive certification that is valid for the time period of their authorized stay in the U.S., or if there is no date of end to the time period of their authorized stay, for one year. The certification is required to indicate that it is temporary. The information will be verified through the Systematic Alien Verification for Entitlements (SAVE) Program, operated by the U.S. Department of Homeland Security.

**Completion of an advanced unlicensed assistant training program:** You must have completed an advanced unlicensed assistant training program approved by the Oklahoma Board of Nursing, or have completed equivalent training as approved by Board staff. A *Training Program Verification Statement* must be submitted to the Board from the director of the training program.

**Completion of the certification examination:** Once all other requirements for certification have been met, you will be made eligible to take the written and skills portions of the AUA certification examination. A registration form for the AUA certification examination will be mailed to you from the Board office, along with a list of approved testing sites. You may call to make an appointment to test at any approved testing site. **You must take the completed registration form with you when you go in to take the examination.**

**Review of criminal charges, disciplinary action, or judicial declaration of incompetence:**

State law (59 O.S. § 567.18.B.) requires each applicant for licensure to have a fingerprint-based background check completed not more than ninety (90) days old at the time of submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records. Please read the *Privacy Act Statement and Applicant Notification* found in the Appendix to this set of instructions. Please see the “Instructions” section for further information on obtaining a fingerprint-based background check.

In addition to the background check, applicants for licensure/certification are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A “report in writing” means that the applicant/licensee provided a description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report should be in the form of a statement in the provided space on the application. Certified court records or a board order, as applicable, must be uploaded during the application process. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.

Forms referenced can be found on the Board’s website located at this link:

<http://www.oklahoma.gov/nursing/applications.html>

Board staff do not provide results over the telephone. Once the AUA Certification is issued, the Verification Portal on the Board’s website will be the first place your new certification will be noted: <https://okbn.boardsofnursing.org/licenselookup>

## INSTRUCTIONS FOR COMPLETION OF THE APPLICATION

In the event that you submit an incorrect application and fingerprints are collected and submitted following the submission of the incorrect application, note that the criminal history records search must be conducted through the Board’s vendor, IDEMIA no more than (90) days prior to receipt of the application in the Board office. The results of the search are provided directly to the Board office by the OSBI usually within one to two weeks. Please read the *Privacy Act Statement and Applicant Notification* found in the Appendix to this set of instructions. Procedures for changing, correcting or updating OSBI and/or FBI results are set forth in Title 28, C.F.R., §16.34 and will be furnished as needed.
