- (a) President's Verbal Report with possible discussion on the following:
 - (i) NCSBN President's Meeting
 - (ii) Other (verbal report only, no discussion)

President Massey reported on her attendance to the National Council of State Boards of Nursing (NCSBN) President's Meeting held via zoom on Monday, May 11th. She discussed NCSBN's website including a COVID section; the World Health Organization's State of World Nursing Report; information via video outlining the 10 recommendations for the Nursing Strategic Plan through 2030 and how the COVID-19 pandemic has changed the recommendations; and NCSBN's provision of continuing education to members and the public related to COVID. President Massey reported more information and specifics related to these topics is available at the National Council of State Boards of Nursing website. (www.ncsbn.org) Dr. Phil Dickerson's update to the President's Meeting attendees related to Pearson Vue and the reopening of centers with limitations of 7-10 testers at a time due to social distancing. Work is ongoing to convert alternative sites at universities to increase testing capacity in the interim period. Pearson Vue has recalled staff to return and will hire replacements for those individuals that do not return. The U.S. and Canadian borders remain closed and Pearson Vue reports having issues supporting its Canadian partners due to the closures. It was discussed at the

meeting also that Dr. David Benton, Chief Executive Officer for NCSBN, met with President Trump to expedite workforce waiver of licensure for identified telehealth providers and CRNA waived provider supervisors. In regards to the APRN Compact revisions to be considered by the NCSBN Delegate Assembly during the August 2020 meeting, the uniform license requirements will include an alignment of the felony conviction language for APRNs to the uniform license requirement in the RN/LPN Nurse Licensure Compact.

- (b) Executive Director's Verbal Report with possible discussion on the following:
 - (i) Legislative Update
 - (ii) Agency Activity Related to COVID-19
 - (iii) Optimal Regulatory Board System Update
 - (iv) Other (verbal report only, no discussion)

K. Glazier advised in the Legislative Update SB 801 proposed amendments to the Oklahoma Nursing Practice Act and was approved by Governor Stitt on May 7th. The amendments relate to scope of practice for APRN-CRNAs. The reference to practice under supervision was changed to collaboration and a definition for collaboration was added to the language.

K. Glazier provided information on Agency Activity Related to COVID-19, including the numbers of applications processed and the fiscal impact coming from changes to requirements for licensure to enable individuals to be licensed or retain licensure amid the effective period of the declaration of emergency and Executive Orders. The agency's emergency rules to address licensure requirements during the pandemic adopted at OBN's April 15th Special Meeting were approved by Governor Stitt on April 23rd. The agency's lobby remains open to the public by appointment only and telework efforts continue, resulting in approximately 2/3 of agency staff working remotely and the remainder working on site at the agency. A return to work policy is in development. Returning staff to the worksite is on hold pending receipt of the ordered cleaning supplies to enable the agency to meet Centers for Disease Control and Prevention guidance for public health and safety. Meetings scheduled to be held within the agency will occur virtually.

Director Glazier's Optimal Regulatory Board System (ORBS) Update included the work toward implementation of the system as a portion of the pandemic response; ORBS system functionality allows for document uploads from applicants and 3rd parties; implementation target is Fall of 2020; product review and evaluation is ongoing with first evaluation done electronically/virtually; the first set of data is to be migrated to the system this week; testing is scheduled to occur the first week of June; and second phase is to be done electronically/virtually in June to test configuration for the agency's business processes.

K. Glazier provided a verbal report only with no discussion to share that Dr. Jenny Barnhouse, OBN's Peer Assistance Program Coordinator, has been appointed to a two-year term on the Nurse Licensure Compact Research Committee. Board Members expressed congratulations to Dr. Barnhouse on her appointment.
