A verbal report only with no discussion was provided on the presentation conducted by President Nickel and Director Glazier to the Oklahoma Nurses Association on September 14th. The subject matter related to the work of the Board's Criminal History Task Force to identify those crimes that would be bars to nurse licensure and AUA certification, including the history of development of the list, pursuant to HB1373, and the mechanism for individuals to request a predetermination of their licensure eligibility relating to their criminal history.

Interviewing is in process to fill the vacant Nurse Investigator position.

Insert sheets have been placed in Board Members' hard copy Oklahoma Nursing Practice Act books due to changes from SB848.

The Optimal Regulatory Board System (ORBS) participation agreement is still going through the review process.
