There are four roles of Advanced Practice Registered Nurses defined in the *Oklahoma Nursing Practice Act*: the Certified Nurse Practitioner (CNP), Certified Nurse Midwife (CNM), Clinical Nurse Specialist (CNS), and the Certified Registered Nurse Anesthetist (CRNA).

In order to obtain an Advanced Practice Registered Nurse (APRN) license in Oklahoma, the applicant must hold one of the following licenses:

- A current Oklahoma license to practice as an Registered Nurse (RN); **or**
- A dated temporary Oklahoma RN license; **or**
- A current multistate license to practice as an RN issued by another Compact state with Oklahoma multistate licensure privilege.

- Applications for RN licensure by endorsement and reinstatement are available on the Board's website for those who do not currently hold an active Oklahoma RN license, a dated temporary Oklahoma RN license, or a current multistate license to practice as an RN issued by another Compact state with Oklahoma multistate licensure privilege. The APRN must hold a separate license in each specialty area for which he/she has obtained the required education and certification.

Only those persons who hold a license to practice advanced practice registered nursing in this state shall have the right to use the title "Advanced Practice Registered Nurse" and to use the abbreviation "APRN". Only those persons who have obtained a license in the following disciplines shall have the right to fulfill the roles and use the applicable titles: Certified Registered Nurse Anesthetist and the

Any individual doing so shall be guilty of a misdemeanor, which shall be punishable, upon conviction, by imprisonment in the county jail for not more than one (1) year or by a fine of not less than One Hundred Dollars (\$100.00) nor more than One Thousand Dollars (\$1,000.00), or by both such imprisonment and fine for each offense [59 O.S. § 567.3a(5)].

**Certification in Area of Specialty:** The applicant must also hold a **current national certification** in the specialty area consistent with educational preparation and by a national certifying body recognized by the Board. Successful completion of the educational program shall establish an academic preparation consistent with the recognized certification examination in the specialty area.

- Because you are applying for initial APRN licensure, you must access the list of *APRN Certification Examinations Approved by the Oklahoma Board of Nursing* at <http://www.oklahoma.gov/nursing/practice.html> to ensure your certification is listed.

**Renewal Requirements:** Advanced practice licensure must be renewed concurrently with the Oklahoma Registered Nurse renewal in even-numbered years. If the Registered Nurse license is a multistate license issued by another Compact state, the Oklahoma APRN license must be renewed on even years by the end of the licensee’s birth month.

- If you are applying for advanced practice licensure within 90 days prior to the expiration date of your Oklahoma RN license, you must renew your license prior to the date the advanced practice licensure is granted. Please see the *Oklahoma Nursing Practice Act and Rules* for renewal requirements.

**Review of criminal charges, disciplinary action, or judicial declaration of incompetence:**

Effective November 1, 2013, state law (59 O.S. § 567.5 B 2.) requires each applicant for licensure as an Advanced Practice Registered Nurse to have a fingerprint-based background check not more than ninety (90) days old prior to submission of the application for licensure. The background check consists of fingerprint-based searches of the Oklahoma State Bureau of Investigation (OSBI) and Federal Bureau of Investigation (FBI) Criminal History Record Information databases and name index searches of computerized databases containing criminal history records. Please read the *Privacy Act Statement and Applicant Notification* found in the Appendix to this set of instructions. Please see the “Instructions” section for further information on obtaining a fingerprint-based background check.

In addition to the background check, applicants for licensure are required to notify the Oklahoma Board of Nursing, in writing, specific information related to criminal charges and/or convictions, investigations, disciplinary actions, and/or judicial declaration of mental competence. A “report in writing” means that the applicant/licensee provided a description stating in his/her own words the date, location, and circumstances of the incident, and if applicable, the resulting action taken by the court, agency, or disciplinary board. The report should be in the form of a statement in the provided space on the application. Certified court records or a board order, as applicable, must be uploaded during the application process. A verbal report does not constitute a “report in writing”. A written report not accompanied by a full set of certified court records or the board order(s) does not constitute a “report in writing”. Failure to report such action is a violation of the *Oklahoma Nursing Practice Act*.

**Citizenship:** All applicants for licensure who are a U.S. citizen, U.S. national or Legal Permanent Resident Alien must upload an *Affidavit of Citizenship Status* unless such information is already on file with this Board.

According to State law, **if you are a qualified alien, you must bring in person** the *Evidence of Status Form* to the Board office along with the original documents that support your qualified alien status, as shown on the *Evidence of Status Part B Form*. At the Board office, a staff member will copy your qualified alien status documentation and will notarize the *Evidence of Status Form*.
