Applications for return to active or reinstatement of prescriptive authority recognition must have current Oklahoma licensure as a Registered Nurse and as an Advanced Practice Registered Nurse (CNP, CNS, or CNM), and current national certification.

Advanced Practice Registered Nurses (APRNs) without valid prescriptive authority recognition are hereby notified to cease prescribing immediately until valid prescriptive authority recognition has been obtained. **Please note that prescriptive authority recognition is specific to the Advanced Practice Registered Nurse license (CNP, CNS, or CNM) and the specialty certification held by the Advanced Practice Registered Nurse. Advanced Practice Registered Nurses with more than one APRN license or specialty certification must hold separate prescriptive authority recognitions for each APRN license or specialty certification.** Prescribing drugs and medical supplies without a valid prescriptive authority recognition is considered in violation of the provisions of the *Oklahoma Nursing Practice Act*.

You may obtain a copy of the current *Exclusionary Formulary* on the Board's website: <http://www.oklahoma.gov/nursing/practice.html>
