# **Total Candidates by Quarter**

Number of unique candidates per quarter who have taken at least one section of the Examination.

# **Total Sections by Section Type\***

The total of Examination sections for which candidates received scores in the current quarter and the same quarter over the past 4 years.

\*AUD, FAR and REG after 2023 represent the new core sections.

**Total Sections** 

# % Pass

The percentage of sections that were passed in each quarter for the past three years. AUD, FAR and REG after 2023 represent the new core sections.

#### New Candidates vs. Candidates Passing Final Section

The number of new unique candidates taking their very first Examination section versus the total number of unique candidates who passed their fourth and final section in a quarter.

# **Degree Type**

Highest degree listed for a candidate.

	Candidates	% Total
Bachelor's Degree	143	76.9%
Advanced Degree	30	16.1%
Enrolled / Other	13	7.0%

NOTE: Degree Type and Disciplines data includes both FT and RE candidates.

# **Disciplines**

Breakdown of what percentage of candidates are taking which discipline.

### Notes:

- 1. The data used to develop this report was pulled from NASBA's Gateway System, which houses the Uniform CPA Examination's Application and Performance information for all 55 jurisdictions.
- 2. The demographic data related to age, gender, and degree type is provided by the individual candidates and may not be 100% accurate.
- 3. Some jurisdictions do not require candidates to report certain demographic data nor complete surveys gathering such data on a voluntary basis.
- 4. A cohort is the year in which a candidate enters the CPA Exam pipeline. The candidate's cohort is determined by the very first section attempt on the CPA Examination.
- 5. The CPA Exam introduced a new Exam on January 1, 2024. AUD, FAR, and REG after 2023 represent the new core sections.
