INITIAL FIRM APPLICATION

One registration satisfies the registration requirement for all offices of the firm (Oklahoma Accountancy Act, Section 15.15A).

Section 15.15 of the Oklahoma Accountancy Act (Law) specifies that the Board shall register any firm seeking to provide professional services to the public. All such registrations shall expire on the last day of June of each year and may be renewed annually for a period of one (1) year by registrants in good standing upon filing the registration and upon payment of the annual fee not later than June 30 of each year. A firm whose registration is automatically revoked pursuant to this section may be reinstated by the Board upon payment of a fee to be set by the Board.

Name of professional entity:

Title 18, Chapter 18, Section 807, of the Oklahoma Statutes states: "The name of every professional entity shall end with one or more of the words or abbreviations permitted in the applicable associated acts; provided, that such words or abbreviations shall be modified by the word 'professional' or some abbreviation of the combination, including, without limitation: 'P.C.', 'P.L.P.' or 'P.L.L.C.'. Provided further, each of the regulating boards may by rule adopt further requirements as to the names of professional entities organized to render professional services within the jurisdiction of such regulating board." Title 18 allows out-of-state firms to register as the same type of firm in Oklahoma as they are registered in their home state (i.e. LLC, LLP, etc.).

Proof that the firm has complied with the requirements of the Oklahoma Secretary of State must accompany this form (Law: Section 15.15A[B][3]). Proof consists of a copy of the Professional Certificate of Incorporation, the Professional Articles of Organization, or comparable form depending on the form of organization, filed with the Oklahoma Secretary of State (showing Secretary of State's "Filed" stamp), with all amendments thereto, and a copy of the Professional Certificate issued by the Oklahoma Secretary of State. In addition, out-of-state firms are required to submit proof that they are properly registered in their home state.
