Permit to Practice Public Accounting

Required of Applicants Who Practice Public Accounting in Oklahoma

If you are practicing public accounting in Oklahoma or come into Oklahoma to serve clients from out of state, you are required by law to hold a permit to practice public accounting, unless you are entering the state under the substantial equivalency provisions of Section 15.12A of the Act. This also includes certified staff accountants employed by public accounting firms.

If you are not practicing public accounting, you are not required to apply for a permit but you are required to report CPE pursuant to Section 10:15-30-5. Permits to practice must be renewed annually as they expire on the last day of the registrant's birth month.

Ethics Examination FAQs

Am I required to complete an ethics examination? All applications for reinstatement of certificates and licenses must provide evidence of successful completion of the AICPA's comprehensive ethics examination self-study course or its equivalent as determined by the OAB. OAB policy establishes a minimum score of 90% for successful completion of the AICPA ethics examination or its equivalent.

Is there a specific ethics examination that must be taken? The OAB will accept the AICPA's self-study course entitled "Professional Ethics: The AICPA's Comprehensive Course." A substitute course may be acceptable to the OAB as well. OAB policy requires that an equivalent ethics examination course be a minimum of 8 hours in length to be considered. Sufficient information would need to be submitted to the OAB for it to determine whether the alternative course is equivalent in content to the AICPA course.

What if I took the AICPA's Ethics Examination several years ago? Do I have to take it again? You do not have to take the exam again if you can submit sufficient documentation to show you successfully completed the exam (score of 90% or above).

What is the process for meeting the ethics examination requirement?

- Ordering – "Professional Ethics: The AICPA's Comprehensive Course" is ordered through www.aicpastore.com and is available as a text book or online.
- Grading – If you pass the examination with a score of at least 90%, you will be sent by e-mail a PDF file of your certificate of completion.
