

OKLAHOMA ACCOUNTANCY BOARD (OAB) INSTRUCTIONS FOR RECIPROCAL APPLICANTS

Pursuant to Section 10:15-21-1(b) of the Oklahoma Administrative Code: “The application for a reciprocal certificate or license shall be filed within one hundred twenty (120) days of employment with a public accounting firm located in this state or engaging in the practice of public accounting in Oklahoma.”

When reading the instructions and completing the forms included with the reciprocal application packet, please note that all references to the “Act” refer to the Oklahoma Accountancy Act and references to the “Code” refer to the Oklahoma Administrative Code.

Application for Reciprocal CPA Certificate or PA License

OAB FORM R008 - Required of all applicants

This form is to be typewritten or completed in ink with all information requested. **Part III requires that you submit additional documents (e.g. transcripts, letters verifying experience, etc.) as a part of the application, so you may wish to review these sections of the application first.** The application must be submitted to the OAB within 60 days of the date of your signature. If the application is received after 60 days, the application will be returned unprocessed.

If you are practicing public accounting in Oklahoma or come into Oklahoma to serve clients from out of state, you are required by law to hold a permit to practice public accounting, unless you are entering the state under the mobility provisions of Section 15.12A of the Act. If you are applying for a permit to practice, you must also submit documentation (CPE certificates) verifying 40 hours of CPE obtained in the calendar year preceding the date of the application or in the 365 days preceding the date of the application. For assistance on CPE requirements, please contact the CPE Coordinator at (405) 522-3092.

If you are not employed by a public accounting firm or practicing public accounting, you are not required to apply for a permit; however, you may be required to report CPE pursuant to Section 10:15-30-5 of the Code.

Authorization For Interstate Exchange of Examination and Licensure Information Form

OAB FORM E002

Unless you are applying under Option 5, this form must be completed by the original certifying state board and any state boards that have issued you a reciprocal certificate/license and submitted with the reciprocal application form. The Act and the Code base reciprocity on a valid certificate or license issued by examination from another jurisdiction.

Experience Verification Form

OAB FORM E004 - Required of applicants applying under Option 1C

Pursuant to Section 15.13(A) of the Act, those applying under Option 1C must meet the requirements for issuance of a certificate or license in the State of Oklahoma on the date of making application. One

such requirement is that applicants have one (1) year of experience providing a type of service or advice involving the use of accounting, attest, compilation, management advisory, financial advisory, tax or consulting skills. Pursuant to Section 10:15-3-2(3) of the Code, eighteen hundred (1,800) hours of part time or full time work experience will be considered as one (1) year of experience. The work experience must have been obtained within the four (4) years immediately prior to filing the application. This requirement may be satisfied through work experience in government, industry, academia, or public practice. **NOTE:** For those whose experience is in public practice, in lieu of completing OAB Form E004 a letter from the applicant's employer and/or former employers attesting to the nature and inclusive dates of the qualifying experience may be submitted. Such letter(s) must be on firm letterhead, must be signed by an equity owner of the firm, and must include the attester's position with the firm.

AICPA Professional Ethics Examination

Required of all applicants

Ethics Examination FAQs

Am I required to complete an ethics examination? All applications for reinstatement of certificates and licenses must provide evidence of successful completion of the AICPA's comprehensive ethics examination self-study course or its equivalent as determined by the OAB.

Is there a specific ethics examination that must be taken? The OAB will accept the AICPA's self-study course entitled "Professional Ethics: The AICPA's Comprehensive Course." A substitute course may be acceptable to the OAB as well. OAB policy requires that an equivalent ethics examination course be a minimum of 8 hours in length to be considered. Sufficient information would need to be submitted to the OAB for it to determine whether the alternative course is equivalent in content to the AICPA course.

What determines "successful completion" of the ethics examination? OAB policy establishes a minimum score of 90% for successful completion of the AICPA ethics examination or its equivalent.

What if I took the AICPA's Ethics Examination several years ago? Do I have to take it again? You do not have to take the exam again if you can submit sufficient documentation to show you successfully completed the exam (score of 90% or above).

What is the process for meeting the ethics examination requirement?

- Ordering – "Professional Ethics: The AICPA's Comprehensive Course" is ordered through www.aicpastore.com and is available as a text book or online.
- Grading – If you pass the examination with a score of at least 90%, you will be sent by e-mail a PDF file of your certificate of completion.

What if I don't pass the ethics examination the first time I take it? Will I be allowed to re-take it? Yes. You may take the examination using the online grading system up to three times. If you still have not passed, you may continue to re-take the examination as many times as necessary, but you would not be able to take it online.

Can I count the CPE credits for the Ethics Examination course toward the CPE requirements for my permit to practice? Yes, if the course was taken during an applicable CPE compliance period. Like any other CPE course, it cannot be split between two different compliance periods.

Background Checks

The OAB may obtain a background check as one method to ascertain criminal history and adherence to the professional code of conduct. The cost of \$15 for the Criminal History Search will be paid by the applicant.

General Information

You must complete and submit all applicable forms and fees (together as a single submission) to the OAB. Fees may be paid with one check. Please feel free to contact the Licensing Coordinator for assistance at (405) 522-3091.

The registration of certificates/licenses and all permits to practice lapse on the last day of a registrant's birth month. If you keep the OAB advised of your current mailing address you will be notified by the OAB before your registration and, if applicable, your permit expires. Please note that pursuant to Section 15.14(H) of the Act, notifications of criminal arrests or charges, disciplinary actions by any other jurisdiction or foreign country, revocation or suspension by enforcement action of any professional credential and all changes of employment or mailing address must be reported to the Board within 30 days of such changes becoming effective.

NOTE: Oklahoma statute and registration rules require that individual Certificates and Licenses shall be renewed annually prior to the last day of a registrant's birth-month. Fees cannot be prorated. If you have questions about filing a Reciprocal Application shortly before or during what would be your renewal period, please contact the Oklahoma Accountancy Board.
