Office of the Attorney General

Annual Report of Private Attorney Contracts

Fiscal Year 2016

The Oklahoma Office of the Attorney General is required by Title 74, Section 20i(G) of Oklahoma Statutes to produce a written report on the private legal representation obtained by an agency or official of the executive branch under Section 20i. This report is to include a brief description of each contract, the circumstances necessitating each contract, and the amount paid under each contract.

During Attorney General Pruitt's terms of office, Attorney General Pruitt has strived to lower the amount spent on private attorney contracts. After significant decreases over the last five years, this year an additional \$462, 619.85 less was spent than last year.

Total Spent on Private Attorneys

Fiscal Year 2016: \$ 6.33 million

Fiscal Year 2015: \$ 6.79 million

Fiscal Year 2011: \$ 11.78 million

Under Attorney General Pruitt's leadership, the Office of the Attorney General is providing more assistance to the State, and its agencies, boards, colleges and universities. The Office utilizes a wide variety of expertise to advise, represent, counsel and advocate for the State of Oklahoma without the use of private attorneys. While changes in the law, economy, and growth can and do impact the amount spent on private attorneys, Attorney General Pruitt's vision to provide increased and more efficient services has been realized and will continue to expand.

Attorney General Pruitt presents for your review the attached report containing all private attorney contracts paid by individual agencies and boards along with the total amounts contracted with our office to represent various agencies and officials of the executive branch obtained during FY 2016.
