Instructions for Required Affidavit:

Title IV of the Professional Responsibility and Work Opportunity Act of 1996, 8 U.S.C. 1621 provides that, with certain exceptions, only a U.S. citizen, U.S. non-citizen nationals or a "qualified alien," is eligible to receive a state or local public benefit, which is defined as including a professional license.

Oklahoma law, at 56 O.S. § 71, requires the Board of Examiners for Speech-Language Pathology and Audiology to verify the lawful presence in the United States of any natural person fourteen (14) years of age or older and present in the United States, applying for a license. Such applicants are required to provide the Board with verification of lawful presence in the United States by executing one of the Affidavits below before a notary public or other officer authorized to notarize affidavits under State law.
