

**Oklahoma Corporation Commission
State of Oklahoma**

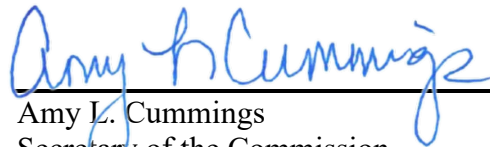

Monday, October 17, 2022 – 9:30 a.m.

Public Comment and Hearing on the Merits before an Administrative Law in Case No. PUD2022-000036, Application of Oklahoma Natural Gas Company, a Division of One Gas, Inc., for Approval of its Demand Portfolio of Conservation and Energy Efficiency Programs for Calendar Years 2023 Through 2025.

This serves as notice that a public meeting of the Commissioners did not take place as scheduled, and therefore, there are no minutes for the Oklahoma Corporation Commission (Commission) special meeting conducted at 9:30 a.m. on October 17, 2022, Room 301, Jim Thorpe Office Building, 2101 North Lincoln Boulevard, Oklahoma City, Oklahoma 73105.

The notice and agenda for the meeting were publicly posted at the Oklahoma City offices of the Commission at 11:10 a.m. on October 12, 2022, by Commission employees acting under the direction of Chairman J. Todd Hiatt. The notice and agenda were provided in writing to the Oklahoma Secretary of State at least forty-eight hours in advance of the meeting and are also made available to the public on the Commission's website. The notice and agenda, copy of which is attached as Appendix A, stated that the staff of the Commission would meet for Public Comment and Hearing on the merits in Case PUD2022-000036, and one or more Commissioners might attend but that no votes or other actions would be taken by the Commissioners.

A quorum of the Commission was not present; therefore, no public meeting of the Commission requiring official minutes took place.

Amy L. Cummings
Secretary of the Commission
Date: October 17, 2022
