

# OUSF Affidavit for Libraries

[oklahoma.gov/occ/divisions/public-utility/ousf](http://oklahoma.gov/occ/divisions/public-utility/ousf)

An affidavit is required in each of the three funding request processes. This document is relied upon by the Administrator to provide accurate and complete information upon which a Preapproval, Funding Request, or a Change Request, can be evaluated.

1

### Preapproval

- Only needed *IF* there is a need to predetermine the amount of potential OUSF funding prior to the start of service.
- Or Special Construction is involved and additional USAC matching funding is desired.

2

### Request for OUSF Funding

- Process requires a Request for Funding to be filed for new service or a change in location.
- The Request results in a determination of the amount the OUSF will fund.

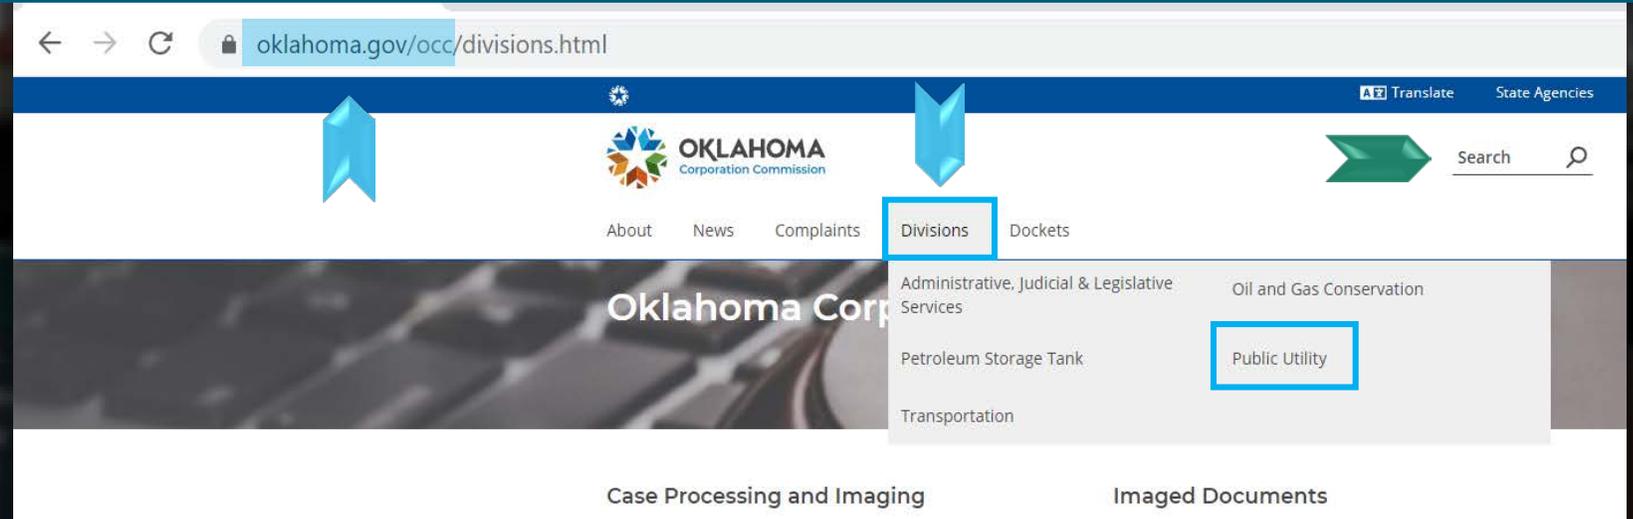

3

### Change Request

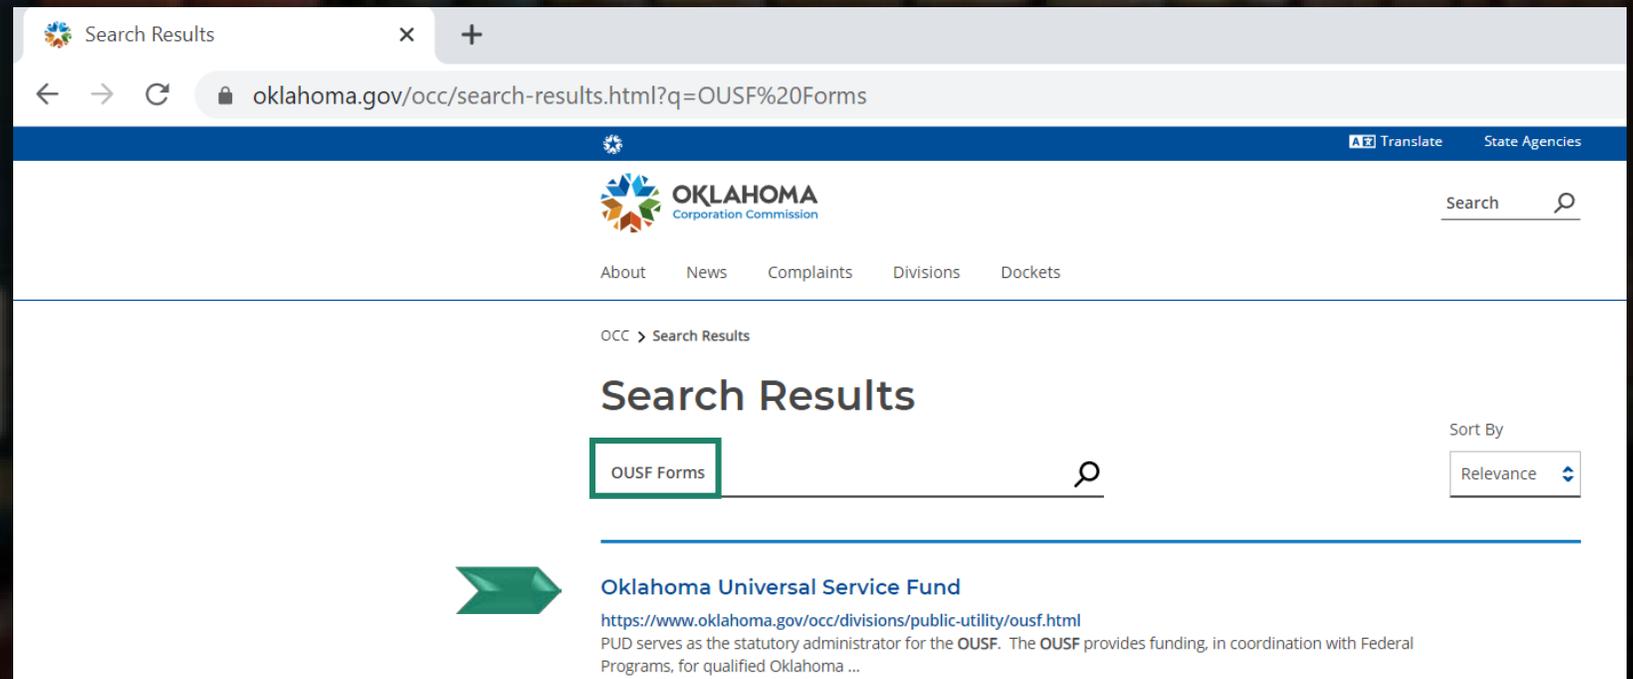

- *Optional* process once OUSF funding already approved in a Request.
- Available when change in bandwidth, and/or a price decrease occurs.
- New Request is always an option for changes.

The undersigned waives any right to confidentiality due to such information under federal law and authorizes the Commission and Administrator, to publicly disclose information that relates to the network configuration, type, and use of a telecommunications service subscribed to by the beneficiary, and that is made available to the carrier by the customer solely by virtue of the carrier-customer relationship; and CPNI that is contained in the bills pertaining to telephone exchange services or telephone toll services received by a customer of a carrier which may be contained in invoices, related contracts/agreements, bid information, and other supporting documentation for services eligible to be reimbursed from the OUSF. The release of such records to the Commission or the Administrator constitutes a record subject to disclosure to the public under the Open Records Act.
- 4.4 The written approval to disclose information subscribed to by the Library (CPNI) in the form attached hereto has been provided to the Library's Eligible Provider authorizing such provider to disclose CPNI related to the Library's services for which reimbursement is sought, to the Commission and to the Administrator. The purpose of this release of records to the Commission and the Administrator is to review requests for OUSF funding submitted by the Eligible Provider on behalf of the Library.

OUSF funding may not be sufficient to cover the entire cost of Special Universal Services, after any E-rate funding is applied to the bill. The undersigned further understands that it shall be the responsibility of the Library to pay any remaining balances.
- 4.6 No alterations have been made to this Affidavit, other than to provide responses.
- 4.7 I agree that the OUSF Administrator may use this Affidavit and any Attachments hereto, as well as any supplemental documentation that may be provided in response to this Affidavit, as part of the record for any Cause filed on behalf of the Library identified in this Affidavit.
