RE: Final Notice to Oklahoma Corporation Commission to Build a Wind Energy Facility to be in Garfield County, Kingfisher County, Logan County, and Noble County, Oklahoma in accordance with the Oklahoma Wind Energy Development Act.

Ladies and Gentlemen:

In accordance with 17 O.S. § 160.21 (OSCN 2017) subsection F, Oklahoma Wind Energy Development Act, and OAC 165:35-45-4(K) please find included in this submission.

1. This letter as a “Notice of Commencement of Construction” of the wind energy facility “Wagon Wheel Wind” located Garfield County, Kingfisher County, Logan County, and Noble County, Oklahoma.
2. Map showing the location of the wind facility and design.

This Notice of commencement of Construction is sent 60 days before starting construction. Construction activities are planned to start around July 19, 2024.

The Company affirms to the best of its knowledge that all required notices and notifications for the Project have been properly provided. A list of recipients of all required notices and notifications shall be retained and made available to the PUD upon request.

Please confirm receipt of this notice by providing an email confirmation to Max Moore, at [MAMoore@invenergy.com](mailto:MAMoore@invenergy.com). Thank you.

Sincerely,

Bristi Cure  
Vice President, Development
