RE: Revised Notice of Intent to Build a Wind Energy Facility in Alfalfa County, Major County, and Woods County, Oklahoma in accordance with the Oklahoma Wind Energy Development Act.

Ladies and Gentlemen:

Pursuant to the Oklahoma Wind Energy Development Act ("Act") and the Oklahoma Corporation Commission ("OCC") rules implementing the Act, this letter is a revised notification of intent to build a wind energy facility ("Revised Notice"). We intend to construct wind energy turbines and related facilities for the Sundance Wind Energy Project in Alfalfa County, Major County, and Woods County, Oklahoma (the "Project"). The original Notice of Intent was provided to you within six (6) months of the initial filing of the Notice of Proposed Construction ("7460-1 Forms") with the Federal Aviation Administration ("FAA"), made on September 4, 2019. Pursuant to §17-160.21.A., a wind energy facility owner shall not be required to start the notification processes over unless the subsequent 7460-1 forms expand the project beyond its original boundaries submitted to the OCC. As such on June 22, 2020 and August 5, 2020 the Project submitted three additional 7460-1 Forms for structures located inside the original Project boundary, and also added the location of the transmission line, which expanded the original Project boundary. As such, out of an abundance of caution, this Revised Notice is being provided to the OCC in order to ensure compliance with §17-160.21.A.

Enclosed as <u>Exhibit A</u> to this Notice are copies of all the initial 7460-1s Forms for each wind turbine, met towner, or other structure that requires such form that is a part of the Project. A map depicting the revised Project boundary is included with this Revised Notice as <u>Exhibit B</u>. As of the date of this Revised Notice, and based on publicly available data, we confirm that the Project design complies with the setback requirements set forth under section 17-160.20A of the Act.

Within twenty-four (24) hours of submitting this Revised Notice to you, we are providing copies of this Revised Notice to the Alfalfa Board of County Commissioners, the Major Board of County Commissioners, and the Woods Board of County Commissioners. No portion of the Project is located within an incorporated area of a municipality.

Please file stamp a copy of this letter confirming your receipt and send us a file-stamped copy, and please confirm receipt of this Revised Notice by providing an email confirmation Demi Gastouniotis, at DGastouniotis@invenergy.com. Thank you.

Sincerely,
Sundance Williams By:
James Williams
