AMENDED NOTICE RELATED TO CONSTRUCTION OF A WIND ENERGY FACILITY

Pursuant to Section 160.21 of Title 17 of the Oklahoma Statutes ("Section 160.21"), and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission"), Frontier Windpower II, LLC ("Company"), hereby amends its December 7, 2015 notice to the Commission of the construction of the Frontier Windpower II Project, (the "Project") located in Kay County, Oklahoma. The Company submits this amended notice to reflect additional FAA filings and adjustments to the Project boundary.

The Project has been under active development for several years. The most recent FAA form 7460-1 filing was made on February 22, 2016. A summary of the February 22, 2016 FAA form 7460-1 filings for each wind turbine tower location within the Project boundary is attached as Exhibit A. Exhibit B to this letter presents a diagram indicating the Project boundary. As of the date of this notice, and based on the best publicly available data, Company attests, that the Project design is in full compliance with the setbacks set forth in Section 160.20 of Title 17 of the Oklahoma Statutes.

In accordance with the notification requirements of Section 160.21, this notice will also be subsequently provided to the Board of the Kay County Commissioners. Evidence of that forthcoming notice is provided as Exhibit C. Since no Project facilities are located within an incorporated area of a municipality, no additional notice is required under Section 160.21.

Future correspondence regarding this matter should be directed to the following Company representative:

Graham Furlong
Duke Energy
550 S. Caldwell Street, Suite 600/NAS06
Charlotte, NC 28202

Natasha Scott, Deputy General Counsel for Public Utilities, General Counsel's Office (*with all exhibits, via overnight courier – Jim Thorpe Building, 2101 N. Lincoln, Oklahoma City, OK 73105*)

Exhibit A

(Summary of FAA Filings)

Below is a table containing filing numbers, structure name and height, location and elevation for each of the Project's turbines which were included with the notices of permanent construction filed with the FAA. As was previously mentioned, the Project will be located in Kay County, Oklahoma and will not be located within the city limits of any municipality. Each turbine will have white paint and synchronized red lights.
