RE: Submission of copies of subsequent FAA 7460-1 forms for additional individual MET Towers proposed for the Maverick Wind Energy Project to be located in Major County, Garfield County and Kingfisher County, Oklahoma in accordance with the Oklahoma Wind Energy Development Act.

Ladies and Gentlemen:

In accordance with Section 17-160.21.A of the Oklahoma Wind Energy Development Act (“Act”) and pursuant to Oklahoma Administrative Code 25:40-3-1(b), within 10 days of a subsequent filing of the Notice of Proposed Construction (“7460-1 Forms”) with the Federal Aviation Administration (“FAA”), the owner of a wind energy facility shall submit to the Oklahoma Corporations Commission (“OCC”) and the Oklahoma Aeronautics Commission (“OAC”) copies of the subsequent 7460-1 Forms for any individual wind turbines or any other individual structure that requires a 7460-1 Form that is part of a wind energy facility.

This submission is being provided to the OCC and the OAC within ten (10) days of the subsequent filing with the FAA of the 7460-1 Forms for additional met towers or other structures that require such a form that are a part of the Maverick Wind Energy Project, which is to be

# Invenergy

located in Major County, Garfield County and Woods County, Oklahoma (the "Project"). Enclosed please find the copies of the subsequent 7460-1s Forms submitted to the FAA for the Project as of the date of this submission. As of the date of this submission, and based on publicly available data, we confirm that the Project design complies with the setbacks set forth under the Act. The additional MET Tower locations do not expand the project beyond its original project boundary submitted to the OCC in the initial OCC notice of intent to build a wind energy facility.

Please confirm receipt of this notice by providing an email confirmation to Emily Brumit, at [ebrumit@invenergy.com](mailto:ebrumit@invenergy.com). Thank you.

Sincerely,

Maverick Wind Project, LLC,  
as Owner of the Maverick Wind Energy  
Project
