Dear Ms. Strong,

The Military Aviation and Installation Assurance Siting Clearinghouse (Clearinghouse) has reviewed the Cedar Run wind farm project in Cushing, Oklahoma. The Clearinghouse found no adverse impacts to DoD missions in the area and has entered a determination of "No Objection" via the Federal Aviation Administration's Obstruction Evaluation / Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any questions, please contact Mr. Michael Lignowski at the Clearinghouse by phone at (571) 372-6853 or by email at michael.j.lignowski.ctr@mail.mil.

Sincerely,
