All Rural Water Districts shall be charged Seven Dollars and Thirty-Five Cents (\$7.35) per one thousand (1,000) gallons of metered water consumption.

Section Three (3) Severability. If any provision, section, subsection, sentence, clause, phrase or other portion of this Ordinance or the application thereof to any person or circumstance is held to be unconstitutional, illegal or in conflict, by a Court of competent jurisdiction, or by any federal agency, the remainder of this Ordinance, and the application of such provisions to other persons and circumstances shall not be affected thereby, and to this end, such portion of the Ordinance shall be deemed a separate, distinct and independent, provision and not affecting the validity of the remainder of this Ordinance.
