(the "Owner") intends to build the Persimmon Creek I wind energy facility (the "Facility") in the counties of Ellis, Dewey and Woodward, in the State of Oklahoma. The commencement of construction is scheduled to occur on April 10, 2017.

A public meeting is scheduled for March 23, 2017, at 2:00 P.M., at the Woodward Conference Center located at 3401 Centennial Drive, Woodward, Oklahoma, 73801.

Also, a diagram graphically depicting the boundary of the Facility, including the outer perimeter, is attached as Exhibit B.

A Notice of Intent to Construct Wind Energy Facility (the "Notice") has been sent by certified mail to all parties entitled to notice of intent to construct the Facility as oil, gas and other mineral operators and lessees designated by 52 O.S. §903(C). The Notice included: (i) the scheduled commencement of construction date for the Facility, and (ii) maps or plats of the proposed location of all of the various elements of the Facility to be located on the governmental section which may affect each such party.
