**FAA DETERMINATIONS CONCERNING REPOWER – DOD APPROVAL**

Pursuant to 17 O.S. § 160.20, NextEra Energy Resources, Inc. (“NextEra”) encloses the following FAA Determinations for the below-listed structures associated with the repowering of the Weatherford Wind Energy Center.

2019-WTW-10837 through 2019-WTW-10933  
2020-WTW-1481  
2020-WTW-1482  
2020-WTW-2179 through 2020-WTW-2181

In addition to the FAA Determinations, attached find a Table of Contents identifying the locations of the Determinations in the PDF document.

Moreover, pursuant to 17 O.S. § 160.20, NextEra encloses a Mission Compatibility Certification Letter from the United States Department of Defense for the below-listed structures associated with the repowering of the Weatherford Wind Energy Center.

2019-WTW-10837 through 2019-WTW-10933

Please do not hesitate to contact us with any questions regarding this filing.

Sincerely,
