How Do I File My Biennial Update?

Motor carriers, hazardous material safety permit applicants/holders, and intermodal equipment providers regulated by the Federal Motor Carrier Safety Administration (FMCSA) must update their registration information every two years (biennial updates). Failure to comply with the biennial update requirements will result in penalties and USDOT number deactivation.

To File Your Biennial Update:

- Go to www.fmcsa.dot.gov/BiennialUpdate, sign in using the PIN provided in your warning notice from FMCSA, and complete the biennial update process.
- You may also complete the biennial update process by mail or by fax. Go to www.fmcsa.dot.gov/BiennialUpdate and request or download the MC-150 form. Complete the form and follow the provided instructions for mailing or faxing it to FMCSA.
