Leadership

Andrea Rooks:

Overview of February and March Meetings

- New members are Debbie Ward, Thomas Larson, DeLynn Fudge and Sandra McClelland
- Tableau anticipated roll out date is May or July 2021
 - License issue resolved and landing pages in progress
- Executive Team has reviewed the Pennsylvania Comprehensive Cancer Plan
- Recruitment of Oklahoma Colorectal Coalition members unsuccessful
 - Colorectal Cancer Workgroup to be reorganized
- The OSDH Center Staff currently acting as Leads and Co-Leads until vacancies are filled

Dr. Mark Doescher:

- Has not heard definitively from Oklahoma City Indian Clinic
 - Will contact the new patient navigator (now that she has had time to get oriented to new role)
- Heather Carter (OCCN Breast Cancer Workgroup Co-Lead)
 - Serves on the State Colorectal Cancer Roundtable
 - May be able to assist with recruitment for Colorectal Workgroup as well
- Stephenson Cancer Center (OUSCC) developing a new colorectal cancer screening project
 - New researcher may be another resource
- OUSCC has acquired some philanthropy via donor which is helping OUSCC work on prostate cancer awareness (in particular with the African American community in OKC and Tulsa)
 - OCCN should give greater consideration to incorporating prostate cancer into next State Cancer Plan

- National Cancer Institute (NCI) is pushing hard for Cancer Centers to align with comprehensive cancer networks to implement evidence based interventions
 - Funding opportunity available through the end of May
 - Will reach out later to discuss outreach opportunities

State Cancer Plan Committee

- New ad-hoc committee to include all OCCN Leadership plus interested OCCN Members
 - Focus on development of the next Oklahoma State Cancer Plan
 - Contact Andrea Rooks if interested
