Leadership

May 2021 OCCN Executive Team Meeting Overview

Dr. Mark Doescher:

- State Cancer Plan Review
- Membership Recruitment
- Tableau Delay
- Workgroup Updates
- Cervical Cancer/HPV Vaccine: Back on Track webinar, Medicare discussion, HPV campaign targeting oral health professionals
- Breast Cancer: NCI Centers of Excellence for tribal mammography facilities
- Lung Cancer/Smoking Cessation: public comment, national guidelines broadened and expect lung cancer screenings may double
- Colorectal: Workgroup-need rejuvenation due to shifts in work, screening rates have decreased since Covid-19, worst for data in BRFFS along with declined HPV rates

Note: See previous meeting notes for more detailed information
