Meeting Etiquette:

The following expectations apply to all meeting participants to ensure a respectful and productive environment. Commissioners attending virtually are expected to have their video on throughout the meeting. Presenters, guest speakers, and individuals providing public comments may enable their video to be used while speaking. All other virtual attendees should join using audio only and keep their video turned off unless they are actively participating. Attendees are invited to speak during public comment while presenting or when called upon by the commissioners. Microphones should remain muted when not in use to reduce background noise. All participants are expected to conduct themselves with professionalism, courtesy, and respect toward others.

These guidelines are designed to promote a smooth and orderly meeting, allowing for meaningful engagement from both virtual and in-person attendees. Disruptive behavior, including offensive language or personal attacks, will not be tolerated and may result in forfeiting speaking time or removal from the meeting if necessary.
