“Medical Evaluation of Child Maltreatment”

Mary Stockett, MD

Child Abuse Pediatrician

Assistant Professor

University of Oklahoma Health Sciences Center

**January 20, 2022
10:00a – 12:00p CT**

**Kingfisher County District Attorney's Office
Conference Room
101 South Main Street
Kingfisher, OK 73750**

This presentation will provide insight into how a medical evaluation of a victim of child maltreatment can help in the investigation of these cases. It will include examples of medical findings associated with physical abuse and neglect. Cases in which children have sustained abusive bruises, burns, broken bones, head trauma, and neglectful malnutrition will be discussed. How recognition of these findings can improve child safety and guide court action will be considered.
