## CONSTRUCTION PHASE PROTOCOL & FREQUENTLY ASKED QUESTIONS

### **New Purchase Orders (POs), Amendments, and Change Orders**

OCIA will send a PO Requisition form with the specific funding information for your project. This form should be completed with funding, vendor and payment information, and then submitted to OCIA. A copy of the PO will be sent to your agency upon completion. The PO number should be referenced on each invoice submission to OCIA. Amendments and Change Orders should also be submitted in this way.

### **Submitting Invoices:**

All project related invoices should be approved by the agency before submission to OCIA. In an effort to expedite payment and ensure proper controls are in place for processing invoices, each project must have a single, designated point of contact for submission of all invoices unless a separate arrangement has been coordinated with OCIA staff.

All invoices must be sent individually (one invoice per email) with the details listed below to [OCIAinvoices@treasurer.ok.gov](mailto:OCIAinvoices@treasurer.ok.gov). OCIA will approve funding and send to ABS for payment within 2 working days of receipt.
