PRELIMINARY APPLICATION FOR APPROVAL

Agency Name: _____

Agency Contact Name: _____

Agency Contact Phone: _____ Agency Contact Email: _____

Additional Contact Information: _____

Anticipated Size of Bond Issue: _____

Authorizing Legislation and Other Approvals (include any legislative and governing board approvals):

Project Description:

Has the project been submitted to the Long Range Capital Planning Commission? _____

Has the Agency secured appropriations for debt service or discussed future appropriations with legislative leadership? _____

Will there be any private use of the proposed project? (i.e. federal government use, research grants, management contracts, rental of facility space etc.) If so, please describe below.

When does the agency anticipate needing funds for the project? _____

Please describe the expected timeline for the project and timeline for use of bond proceeds.

Does the agency anticipate the need to be reimbursed for project costs incurred prior to issuance from bond proceeds (i.e. Architectural and Engineering expenses)?

When does the agency expect to begin payments for the debt service (immediately upon closing or will capitalized interest be necessary)?

Does the agency have a legal description and/or quit claim deed related to the project?

You may attach documents to this application if the space provided is insufficient.
